

MARCH

2017

Grenada School District AmeriCorps Program

The Grenada School District AmeriCorps Program is dedicated to improving students academic achievement through tutoring and reading events and participating in community service.

focus

AmeriCorps Week

As part of the nationwide AmeriCorps Week, March 4-11, The Grenada School District AmeriCorps Program members did an outstanding job of helping the staff promote our program and even had fun doing it.

AmeriCorps Week is a time to salute AmeriCorps members and alums for their service, thank AmeriCorps community partners, and communicate AmeriCorps impact on communities and on the lives of those who serve. We also use this time to kick off our recruiting campaign.

Devetris Pratt, 2nd year member, and her team coordinated a week of activities that that included coordinated dress codes with the "A"; crazy socks day; social media activities; speaking engagements; opportunity for volunteerism; member spotlight on social media, and a balloon release with the Boys & Girls Club.

"Each year during AmeriCorps Week, we recognize the commitment of AmeriCorps members and alums by highlighting the extraordinary impact AmeriCorps makes across our nation every day and selecting a project that will impact the community," said Gwen Woodson, program director.

"Thank You Cupcakes" were donated to the members, and Dr. LaTonya Ware, DDS also came to thank the members for what they do and speak to them about goal setting. **OUTSTANDING WEEK!**
