SUBJECT: LEA Determinations

After an examination of the district data, it has been determined that, under IDEA section 616(d)(2)(A)(i), your district meets the requirements of Part B of the IDEA. The LEA determination is based on the totality of the district's data, including the FFY 2012 reported data and other available information. The data is reflected in a new 2014 Compliance Matrix described below.

Your determination is based on the data displayed in the enclosed "2014 Part B Compliance Matrix" that OSE completed based on your district's data. Also, enclosed is the document entitled, "How the State Made Determinations under Section 616(d) of the Individuals with Disabilities Act in 2014," which provides a detailed description of how OSE evaluated your district's data using the Compliance Matrix.

OSE recognizes the district's efforts to improve results for children and youth with disabilities and looks forward to working with your district over the next year as we continue our important work of improving the lives of children with disabilities and their families.
