Outstanding performances were exhibited by the Grenada Career and Technical Center DECA members at the recent State Competition held in Jackson, Mississippi. Our chapter members placed in ten of the ten events in which they were entered. The members in those events placed high enough to continue to the International Competition that will be held in Anaheim, California, April 24- 29. The GCTC teachers and staff are very proud of the DECA students who have worked hard during the past year.

In order to help alleviate some of the costs associated with the trip to Internationals, DECA is hosting a Daddy Daughter Dance. The total cost of the trip per student is \$853.00 (\$15,343 total) that includes hotel, registration, shuttle, tours, and plane ticket.

The invitations were royally delivered to the schools and daycares on March 19th by DECA Disney Princesses. Tickets are \$25 per couple and \$10 for each additional special girl. The cost covers the rental of building, DJ, and Dessert Bar. Professional Photography packages will be available for purchase as well. The Dance will be held on Friday,

April 12, at First and Green on the square in downtown Grenada. It will begin at 6:30 p.m. and conclude around 8:30 p.m. It is open to any girl in Grenada County ages 4-10.

Space is limited and tickets must be purchased in advance. No paper tickets will be given; a list of participants will be checked at the door. Mail check to: Grenada DECA, 2035 Jackson Avenue, Grenada, Mississippi 38901 or pay in person Monday – Friday 8 a.m. – 3 p.m. at Grenada Career Technical Center. Any questions call Meg Newcomb or Lisa Wilbourn at 226-5969.

All proceeds will help send

these students to National DECA Competition. Any support that you can offer would be gratefully appreciated.
