## FREE GED Program Offered

Are you an adult who has been out of school for a while and who needs to complete a high school credential? Your future is calling. With the GED® test, you can answer the call!

The current version of the GED® test is expiring at the end of 2013 and partial scores will expire too if you don't finish and pass the GED® test by then. If you act soon, you won't have to re-take any parts of the GED® test that you have already passed. There are no legitimate ways to get your GED® credential online, so don't be taken in by scams.

Don't miss this chance to turn one small step into your next big opportunity in life. You're just a few steps away from getting a better job, going to college, and getting the respect you deserve – all of which are possible when you pass the GED® test and earn your high school credential.

Don't feel prepared to finish the GED® test? Don't worry—we can help! The Grenada School District's Adult Basic Education

(ABE) Program will begin five weeks of FREE summer morning classes on Tuesday, May 28th, at 8:00 a.m. Even with your busy schedule, you can prepare, plan, and succeed. Come by the Adult Education Center to complete an interest form and pick up an orientation schedule for summer classes as soon as possible.

The Center also houses the official GED Testing Center® for adults in Grenada County. GED® testing fee scholarships are currently available for students who meet the guidelines.

Need more info? Call us at (662) 227-6101, or visit the Grenada Adult Education Center at 423 South Line Street (open Mon.-Thurs. until 3 p.m., except for lunch, and on Friday mornings). Your future is calling!
