

6th Grade Band Continues Tradition of Excellence

By Kim Presley
Band Director

This year's 6th grade beginner band program has had an extremely successful year! With 175 members strong, the students have performed in three public concerts this year.

In class, directors have tracked student progress on a "star chart", which displays their mastery of specific benchmarks throughout the school year. Many students have taken the initiative to work ahead of the group, achieving higher levels of musicianship. Those that attain the highest levels will be treated to a pizza party in May. The band directors have been very pleased with every student's growth and their enthusiasm for music. Their future is quite exciting!
