

Tiara Watson Receives MASS Scholarship

Tiara Watson (center), a 2015 graduate of GHS, was selected for a \$1,000 scholarship from the Mississippi Association of School Superintendents (MASS). She was one of twelve recipients from over 118 applications from across the State. The application required a recommendation by the district superintendent, high school transcripts, the student's resume, ACT scores and class ranking, and a one page essay from the student outlining his/her future plans.

MASS Executive Director Sam Bounds states, "The MASS Scholarship Competition is a rigorous selection process, requiring outstanding student accomplishment and a recommendation from the district superintendent reinforcing the student's proficiencies."

Tiara was recently presented with the check by GSD Superintendent Dr. David Daigneault (left) and GHS Principal Jerry Williams (right). Congratulations to Tiara Watson on being selected as a 2015 MASS Scholarship winner.

Visions Performs for Teachers

The Visions show choir rocked the house for teachers' first day back earlier this month. The group of high school performers, under the direction of Jennni Winter, performed songs, including popular favorites from groups like Fall Out Boy. Teachers were mesmerized by a slowed down, haunting rendition of "Hotel California" by The Eagles. Vision members Melissa Sones, Cole Bailey, Lauren Conley, Jessi Morgan, and Cheyanne Harmon, harmonize with the group.
