On Saturday, January 30, 2016, the Grenada High School Navy National Defense Cadet Corps held its 23rd annual military ball. This year's theme was American Traditions and it also represented the 100th year of JROTC. Greenwood High School NJROTC cadets, Lieutenant Commander Carlisle, the unit commander, and his wife Dawn, also attended this year's ball. It was the first time in the history of both units that a joint military ball was held. Grenada School's Superintendent Dr. David Daigneault, his wife Gail, Assistant Prin-

icipal Emily Tindall, and other teachers and guests also attended. This year the cadets were treated with a horse and carriage ride. Through the night, door prizes were given to cadets, teachers and parents. One of the main prizes for parents and teachers was \$25 gift cards donated from Applebees. The night ended with dancing and the crowning of the King and Queen and princesses and princes of the ball.

The cadets still have Discount cards available for half price until April 1, 2016. You can buy one from a Cadet, pick one up at school, or buy one from R&S Cleaners.
