

Shining Star Character Award

(l to r) Principal Raleigh Wood, Janecia Neal, Assistant Principal Dawn Walls, and Director of School Improvement/Character Education Dr. Wanda Pittman Merritt

GES student Janecia Neal has been selected as the recipient of the January Shining Star Character Award. Janecia, daughter of Renicia Dione Ford was also chosen as GES (2-3) Super Charger of the week in December in which she won a bike. GES Assistant Principal Dawn Wells, who nominated Janecia for the Shining Star Award, states, "Janecia is a very well-mannered and loveable student."

GES Principal Raleigh Wood says, "We are very proud of Janecia for being our first GES student to receive the Shining Star Award. She displays many desirable character traits such as respect, responsibility, safety, and caring and exhibits all of these qualities with a beautiful

bright smile. "The great part about Janecia receiving the Shining Star Award," says Director of School Improvement/Character Education Dr. Wanda Merritt, "is that she shines while she is away from school just as brightly as she does while she is attending school."

Dr. Wanda Merritt is very excited to help instill character in the students of Grenada School District and would like to thank all who are involved. The character trait for the month of January is Compassion.

"Accept responsibility for your life. Know that it is you who will get you where you want to go, no one else."

GCTC Strawberry Fundraiser

Students from the Grenada Career & Technical Center will be selling fresh strawberries from Florida as a fundraiser. They will be taking orders for the fresh strawberries from February 4th through February 22nd. Eight one-quart packages are packed per flat in plastic clamshell containers. Each flat will sell for \$21.00. To place your order you may contact any student at the Grenada Career and Technical Center or call the school office at 662-226-5969. The strawberries will be delivered during March. Pictured are GCTC students Branden Webster and Ashley McGee.
