By Stephanie Coker, RN,
GMS School Nurse,
Health Council Site Coordinator

The Grenada Middle School Health Council convened for their second meeting of the year on December 10, 2014, in the GMS library. The council performed an assessment of the campus in each of the eight elements of school health (health education, nutrition services,

health services, counseling, psychological and social services, family and community involvement, healthy school environment, staff wellness, and physical education) using the Center for Disease Control's School Health Index. Weaknesses, strengths, and plans for improvement will be presented to the council by each committee during the next meeting on January 5, 2015.

Member of GHS Band Chosen for Lions All-State Band

Claire Sanford was selected to represent Grenada and the State of Mississippi to perform with the 2014 Mississippi Lions All-State Band. Over 500 students across the state attended the two week audition process, with only the top 150 chosen for the group. In July, this year's band will travel to Honolulu, Hawaii and compete in the International Lions Convention parade.
