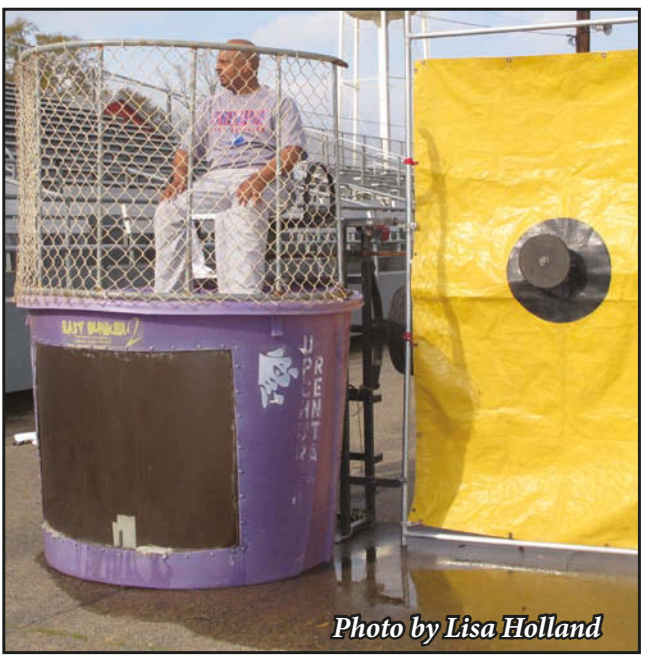
GHS Encourages Attendance



As an incentive to motivate students to increase attendance, GHS held a competition between grades. The GHS Class with the highest attendance rate for October and November got a chance to try to dunk their Principal. The Sophomore Class had the highest attendance. Students' names with perfect attendance for the time period were put in a drawing and those drawn out were allowed chances to try to dunk Sophomore Principal Beane.

Reception Held at GMS

GMS faculty and staff recently held an after school reception for area legislators, sponsored by the Grenada Chapter of the Mississippi Association of Educators, (MAE). Representative Kevin Horan described his perceptions of the upcoming legislative session and how the prospective decisions will impact education. Discussing upcoming changes with Representative Horan are, (l to r) Assistant Principal Reginald Herrington, Principal Lyle Williams, and (far right) Grenada MAE President Suzanne Smith.
