

Superintendent's Breakfast 2014

Students with yearlong averages of 90 or above in every subject in grades 2-12 were recognized in April for their academic achievements at two Superintendent's Breakfasts. The students were treated to sausage and biscuits and honeybuns before receiving a special certificate of accomplishment from Superintendent Dr. David Daigneault.

(front) Gracie Colbert, Karlee Pollan, Isaiah Hatch, Luke Hardin and Cyphus Mohead display their certificates with (back) Superintendent Dr. David Daigneault.

The Grenada Elementary School cafeteria hosted a very excited group of young students who are just beginning the road to academic success. The High School cafeteria was filled with a combination of Upper Elementary, Middle School, and High School scholars receiving recognition for their academic accomplishments.

Grant Program Finishes Summer Session

The 21st Century program recently held an end of the summer session celebration with pizza, soft drinks and a cake made by the culinary arts class. Students participating in the summer session with perfect attendance were entered into a drawing for a \$100 gift card. Classes for the 2014/2015 school year will begin in October.

21st Century Project Coordinator Lynne Russell (left) presents a \$100 gift card to Antonio Willis whose name was drawn from the group of students achieving perfect attendance for the summer session.

The culinary arts class created a custom designed cake for the end of the 21st Century summer program.
