## GCTC Annual Turkey & Ham Sale...

Parker Stewart and Myles Freeman prepare for the annual GCTC Turkey and Ham Sale.

By Bonnie Brunt  
Student Services Coordinator

The Grenada Career & Technical Center (GCTC) annual turkey & ham sale will begin on October 10th and end on October 31st. The turkeys & hams will arrive the week of November 18th. Some of the items available include gourmet smoked Cajun turkey, peppered turkey breast, spiral sliced honey glazed ham, gourmet smoked turkey, gourmet smoked turkey breast, gourmet smoked pit ham, pecan pie, and hickory smoked peppered bacon.

A fruit sale will begin in December, the proceeds enabling GCTC instructors and students to take field trips and

participate in various district and state competitions. We appreciate the community's support in both the fruit sale and the turkey and ham sale each year.

The Southern Heritage Company, the vendor for the sales, provides a \$500 scholarship for one of our students. The student must be a senior and is selected based on academics, character, and participation in the turkey/ham sale and fruit sale.

To purchase some of these items, you may contact any of the Grenada Career and Technical Center students participating in the sale or call the school office at 662-226-5969.

## GHS Band Collects Canned Food...

GHS Drum Majors Matthew Murphy, Chris Bew, and Jarvis Benson would like the community to honor Captain John Wayne Haddock by participating in the canned food drive in his name. Collection boxes are available around the community and will be available until November 8.
